

Dim sum

22 Dim sum is a Cantonese-style cuisine that's been relatively slow to catch on in Tampa Bay. **T. C. Choy's Asian Bistro** offers the most authentic version in the area. Its dumplings and myriad sumptuous fillings, noodles, and the like are served from carts, just like in China. One aficionado says that hungry dim sum fans can get to their food "quicker than at McDonald's." 301 South Howard Avenue, Tampa, 813-251-1191.
